JOHNSTOWN, April 4, 1870. Dear Freeman-The 1st day of April was one of the gloomiest days of the year. Rain | calists and musicians in our city. I will fell all day, and hundreds of people were seen wading through the mud and water, carrying various kinds of house-keeping utensils. The only redeeming feature of the day was that the weather was not cold. What a pity it is that every family has not cy of some of the people in this goodly city. a home of their own! The Directors are repairing the Union board surface. They will build a new school house in Hornerstown next summer.

Our friend and neighbor Robert P. Robinson, Esq., is about to take a trip north for the purpose of selling sewing machines. Mr. Robinson understands that business fully, having been engaged in it for years and having sold hundreds in this place alone last summer. Those who meet with him will find a clever man and a true gentleman, and we doubt not that if the firm which he represents would say so, your dwelling would soon see a handsome present of a lock-stitch the advantage of advertising. If any one it is Mr. Robinson.

The school directors of Millville berough. perceiving the necessity of more school room, are now erecting one of the largest school buildings in the county. A few years ago they built a school house that cost \$16.000: now they are putting one up that will cost to me, and I ponder it o'er and o'er, that they at least \$20,000, and before it is well up six hundred pupils will be knocking at the threshold of their schools for admittance. The great steel works in Millville borough are progressing slowly towards completion. When finished they will be the largest, we think, of any like buildings in the United States. It requires immense labor to complete such an enormous building, with such ponderous machinery, and we hope the enterprise may be an entire success. Steel rails are in great demand in this country, as one steel rail will outwear five iron rails. OSADALIS

THE GREAT AMERICAN I HEALTH RESTORER purifice the blood and cures Scrofula, Syphilis, Skin Diseases, Rheumatism, Diseases of Women, and all Chronic Af fections of the Blood, Liver and Kidnevs. Recommended by the Medical Figure and many thousands of our

Rend the testimony of physicians and patients who have used Rosadalts; send for our Rosadalis Guida to Health Book, or Almanac for this year, which we publish for gratuitous distribution; It will give you much valuable infor-

Dr. R. W. Carr, of Baltimore, says: I take pleasure in recommending your ROSADALIS as a very powerful alterative. I have seen it used in two cases with happy results-one in a case of secondary syphilis, in which the patient pronounced himself cured after having taken five bottles of your medicine. The is a case of Scrofula of long standing, which is rapidly improving undef its use, and the indications are that the patient will soon re-cover. I have carefully examined the formula by which your Rosadal is is made, and and it an excellent compound of alterative ingredients. Dr. Sparks, of Nicholasville, Kr. says he has used Rosadalis in cases of Scrofula and Secondary Syphilis with satisfactory results-as a cleaner of the blood I know no better remedy.

Sam'l Q M' Fadden, Murfreesboro'. Tenn , says: I have used seven bottles of Rosadalis, and am entirely cured of Rheumatism; send me four bottles, as I wish it for my bfother, who has scrofulous sore eyes.

Benj. Bechtol. of Lima, O., writes:
I have suffered for 20 years with an in-

veterate eruption over my whole body; a short time since I bought a bottle of Rosadalls and it effected a perfect cure. Rosadails is sold by Lemmon & Mugally. Laboratory, 61 Exch'ge Place, Baltimore. CLEMENTS & CO., April 7, 1869. 1r. Proprietors.
